# Mateo Aguilar

Front End Developer

## WHO AM I

Self-taught web developer dedicated and detail oriented, in love with bringing life to websites. I always try to be ahead of the circumstances by constantly learning. I would like to be part of a team in which I can develop my career as a developer.

## EDUCATION

- 2021 Front End Development Courses  
*freeCodeCamp*
- 2016/2021 Business Administration Technician  
*Technical High School N°7 "Lomas de Zamora"*

## CERTIFICATES

- 2021 Javascript Algorithms and Data Structures  
*freeCodeCamp*
- 2021 Responsive Design  
*freeCodeCamp*
- 2021 Front End Development Libraries  
*freeCodeCamp*
- 2021 Data Visualization  
*freeCodeCamp*
- 2021 Back End Development and APIs  
*freeCodeCamp*
- 2019 CLE – English Language Certificate

## EXPERIENCE

- 2021 freeCodeCamp's projects  
I finished 5 projects for the Algorithms and Data Structures Certification. You can see the codes [here](#).  
Built 25 different apps within a year, with which I got my certifications. You can find some of them in my portfolio.
